

Spree, a completely natural movement.

New technologies and the use of multiple devices throughout our work day has changed our behaviors and how we perform tasks. A desire to move naturally and comfortably between postures requires improved support and freedom of motion while seated.

Stretch back and experience Spree. Designed to fully support in multiple positions, Spree allows you to recline comfortably while feeling fully embraced by the wide lumbar area. Shoulders and arms are free to shift and twist in any position.

Spree offers a breathable mesh or fully upholstered back option with a contoured padded seat to create the perfect blend of comfort and design. Spree mesh is available in eight colors and can also be upholstered in your choice of many fabrics and leathers.

Spree is Level 3 and Greenguard certified, meaning significant steps towards LEED status. Manufactured in an ISO 14001 facility and backed by a lifetime warranty.

Arm features

 $30^{\rm o}$ swiveling armcaps. $15^{\rm o}$ inward and outward.

Arm height adjustment

Wide Urethane armcap. Arm reclines with back movement. $\,$

Options
