SIMPLICITY & Function

A best seller, Savvy offers an impressive range of models for nearly any office application. There are solutions for: executive, management, task, conference room, break rooms and lobby.

Included, as well, are stools for drafting and design applications in labs and studios. Design emphasis has been placed on performance. A plush seat cushion cradles the user while intuitive ergonomics deliver all the expected adjustments and adapt to each user very easily.

Savvy features a patented internal lumbar support system that offers a choice of 5 different positions without leaving your seat. 24-Hour rated models have been designed specifically for multi-shift operation. The elegance of Savvy is its extraordinary value and ability to adapt to any office design.

Optional 3D arm
(Pivoting and height adjustable)

Patented lumbar support

Optional RPA arm (height, width and pivoting arm)
