MANUFACTURER'S WARRANTY

National Public Seating® provides a warranty to the original user, covering all manufacturing defects in material and workmanship from the date of purchase for a period of ten years*. In the event of a defect, NPS will, at its discretion, either repair or replace the defective product. This warranty does not cover damage resulting from misuse, abuse, or neglect. Please note that excessive swaying back and forth on any banquet stack chair will completely void the warranty. To initiate a return or request repairs, you must contact your dealer for authorization. This warranty grants you specific rights, and you may also have additional rights that vary by state. The warranty for butcherblock tabletops is limited to one year due to the fact that the lifespan of natural wood surfaces heavily depends on maintenance, refinishing, and storage. However, the standard 10-year warranty still applies to the overall product, including all other table parts. Orders are accepted under the express agreement that under no circumstances will seller be liable for any incidental or consequential damages, or for any other loss, damage or expense of any kind, including loss of profits, arising in connection with the order or with the use or inability to use seller's products furnished under the order. Seller's maximum liability shall not exceed and buyer's remedy is limited to either (i) repair or replacement of the defective part or product, or at seller's option (ii) return of the

product and refund of the purchase price. Such remedy shall be the buyer's entire and exclusive remedy.

*Fifteen years on Mobile Cafeteria Tables

*One year for natural wood surfaces (butcherblock)

*One year for Basics by NPS

> Change of Date

Any change of shipping or pickup date within 3 business days of ship date is subject to a \$200 per pallet per day warehouse fee.

> Return Policy

All return requests must be made within 30 days of receiving the order. Once approved, an RMA# and the return address of the original shipping warehouse will be provided. The RMA# must be clearly written on the BOL, and returns must be sent prepaid freight to be accepted. To receive credit, returned items must be sent to the original shipping warehouse. Items must arrive in new, restockable condition to qualify for credit. A restocking fee of 30% will be applied to folding chairs, folding tables, stools, and other standard lightning ship items. A restocking fee of 40% will be applied to all production items, including those with wood components or fabric, such as laminate-top tables, banquet chairs, mobile cafeteria tables, stages, risers, room dividers, wooden folding tables, science tables, science cabinets, activity tables, etc... Returns will not be accepted on custom orders.

> Freight

Orders ship FOB factory unless otherwise pre-arranged. NPS will attempt to ship from closest distribution point; NJ, TN or CA, although not guaranteed. If preferred ship method is not specified on purchase order, NPS will ship "Bestway."

> Freight Damage / Shortages

All shipments must be inspected upon receipt, and any visible damages must be noted on the Bill of Lading (BOL). Concealed damages must be reported within 5 days of receipt to ensure timely claim processing, as most carriers require claims to be submitted within this period. For visible damages, please ensure to note them on the BOL and report them within 15 days, as most carriers require a claim to be submitted within that timeframe. For concealed damages, a one-third, one-third, one-third policy applies: NPS will credit one third, the carrier typically pays one third, and the dealer pays one third. For third-party or collect freight, the dealer is responsible for filing the claim, while for prepaid or PPA shipments, NPS will handle the claim process. For third-party or collect freight, submit freight damage claims directly to your carrier. A new PO is required to replace any damaged or lost product.
